FROM CEO

Welcome Message

The founding stone of **SS ENGINEERING WORKS**, the leading bright bar manufacturers in **SONEPAT, HARYANA** today was laid by **Lt. Shri SURJEET SINGH KANDHARI**. In 1977, **Mr. PARAMJEET SINGH KANDHARI** followed his father's footsteps and joined the company.

What started as a vision of one man has a lot of feathers in its cap today. Completing a journey of almost six decades, **SS ENGINEERING WORKS (SSEW)** has numerous milestones to its credit and has come a long way. The company has been able to achieve the status it has today because the management, since the beginning, has believed in fulfilling their commitments and delivering promises.

WHO WE — ARE?

We are a team of
Professionals, experienced in
manufacturing of
Bright Bars & HB Wires!

About US

SS ENGINEERING WORKS (SSEW), an ISO certified Company, roots back to 1968. The company specializes in all types of **Bright steel bars & all grades of steel wires**. The core strength of the company is more than **54** years of experience in making its products & the team of technocrats who are working in a culture where product quality & time delivery are practiced as the main objective. Therefore, over so many years we have been able to deliver the best quality products to our associated partners.

Our relationships with customers, vendors, bankers, employees, and all other stakeholders provide us with the capability to perform with perfection every time. Our policies are directed at providing a systematic approach to working so as to catalyze hassle-free functioning for all our stakeholders.

Mr. Paramjeet Singh Kandhari, the Founder Director, started manufacturing bright steel bars _ years ago and has the vision to provide the best quality of product to his customers. This systematic approach makes us inspect our material from procurement of raw material to the final step and yet makes our price competitive and stick to schedule adherence at all times to come.

Our Vision & Mission

OUR MISSION

To be the best bright bar manufacturers with the focus on quality product taking care of specific need of customer irrespective of the quantum and consideration

- To maintain customer relationship on continuous basis.
- To drive the cart on winning node for clients
- To reciprocate to clients / vendors with the best service and promptness.

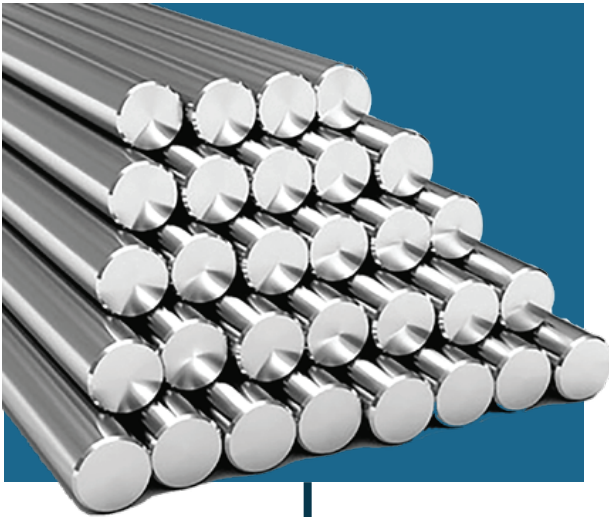

OUR VISION

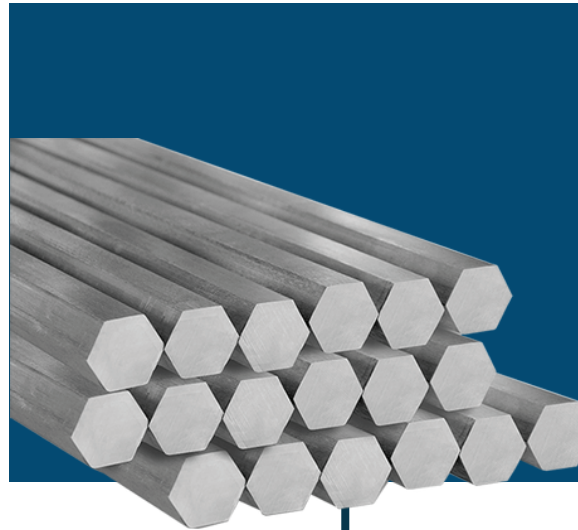

Our vision is to provide cost effective customizable solutions that could improve customer productivity and profit. To accomplish the task, we constantly try to incorporate customer feedback, which could help in building a strong, network of communication between service provider and the beneficiary.

**SQUARE STEEL
BARS**

Our Products

D-SHAPED BARS

HB WIRES

STEEL ROUND BAR

Product Description

Steel Bright Bars

We manufacture a wide range & variety of Cold Drawn Bright Steel Bars assorted according to various sizes & tolerances, in **round, square, hexagonal, and D-shape varieties**.

For us the quality of surface finish, Straightness, toughness, and packing are paramount. By way of meeting the customer- specific designs, our bar products offer good formability, machine-ability, and weld-ability.

We are testing each lot through our online MP testing for external surface defects and through Ultrasonic testing for sub surface defects to ensure quality of our bar products.

SIZE RANGE

Round	<i>4mm-76mm</i>
Hex	<i>4mm-76mm</i>
Square	<i>4mm-76mm</i>
Tolerance	h- 9,10,11
Supply Condition	Round, Square, Hexagonal and D-Shape
Grades	EN8D, EN1A, MILD STEEL

Product Description

HB Wires

Marching ahead with time and spearheading the product mix, we produce our prestigious Mild Steel Wires, enormously receptive across the oceans, embossing our significance and our signature.

These Mild steel wires (HB wires) is derived from excellent quality raw material which is utilized by the customers in Hardware products, Wire mesh, bolts, nuts, screws, rivets & washers, etc. We have a huge size range which fulfills the requirement of the automobile sector, construction sector and other engineering sectors. Other than size range we have a great variety of grades. We package these wires as per industry standards as well as customized to customers* requirements.

Our Steel wires find candid appreciation across infrastructure sector, withstanding all burdens of constructions.

SIZE RANGE

Size Range

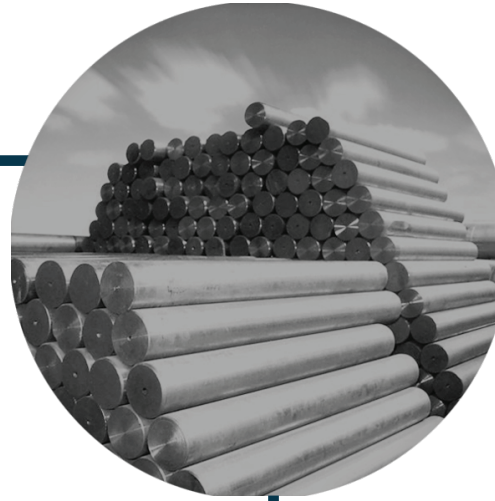

4mm- 14mm

Finish

Annealed or Phosphated

WHY CHOOSE US?

Quality

Our honest and quality focused approach makes us a prominent manufacturer and supplier of Bright Bars and Steel Rods. The products that we offer are acknowledged for their fine finish, sturdy construction, superior quality and enhanced durability.

The below points make our products of highest quality & precision.

Futuristically Equipped Plants

Best Raw Material Sourcing

Team Of Qualified Experienced Professionals

Our Raw Material is Procured from Mainstream Steel Plants including :

MANDI GOBINDARDH

WHY CHOSE — US?

Experience of more than 54 years

Exposure in Export Markets and Knowledge of International Quality

Annual Capacity 6000 Tonnes

Competitive commercial terms

ISO Certified Company

Simple and hassle free documentation

Raw Materials Procured from Mainstream Steel Plants

100% power back up

Prompt post sales services.

Full Plant Capability
